

How to activate your parking permit

Once you have received your parking permit in the mail, it must be activated to be valid for use on campus. Please follow the below steps to activate the permit.

1. Go to <https://bothellcampus.thepermitstore.com> and log into your parking permit account.
For Cascadia permit holders please step 2 first and then proceed.
2. If you are a Cascadia permit holder please click on “Cascadia Login” link first and then enter your username and password
3. Please click the “account” link
4. Under Parking Permits, please click on the “View Permits” link
5. Please then click the “Activate” link on the line where your current quarter permit is listed. Follow prompts given to activate your permit.

You have now successfully activated your parking permit. Once it is activated it will then state “Active”.

If you have questions on this process, or are having difficulties, please contact Commuter Services immediately at 425.352.3369 or email us at uwb-parking@uw.edu

Thank you!
